To whom it may concern,

I, Adrienne Steele, am requesting a waiver, extension, or list of payment options for my delinquent fee of \$1500 for the "failure to file" disclosure statement.

Due to the fact that your board did not waive the fee after sending adequate information, a letter from the senator of the district my seat represented, and for the sole fact that your representative assured me the fee was waived when I did file the statement, I am being unfairly forced to pay a fine I can not afford. With that, I am requesting a waiver, extension, or detailed list of payment options you would suggest for a family of 3 that is living on unemployment. Again, I was assured this whole situation was settled close to a year ago. But yet I am still being forced to put my family in complete financial devastation over a simple mistake and oversight.

At your convenience I would appreciate a detailed and thorough list of available payment options.

I am looking forward to your reply.
